

Exploration of Targeted Anti-tumor Therapy

An open access, peer-reviewed journal with **no article processing charge**, now is indexed in **PubMed/PMC, Scopus, CAS, DOAJ**, etc.

Editor-in-Chief

Nicola Normanno, MD

Chief of Cell Biology and Biotherapy Unit, Director of Translational Research Department, Istituto Nazionale Tumori-IRCCS-Fondazione G. Pascale, Naples, Italy

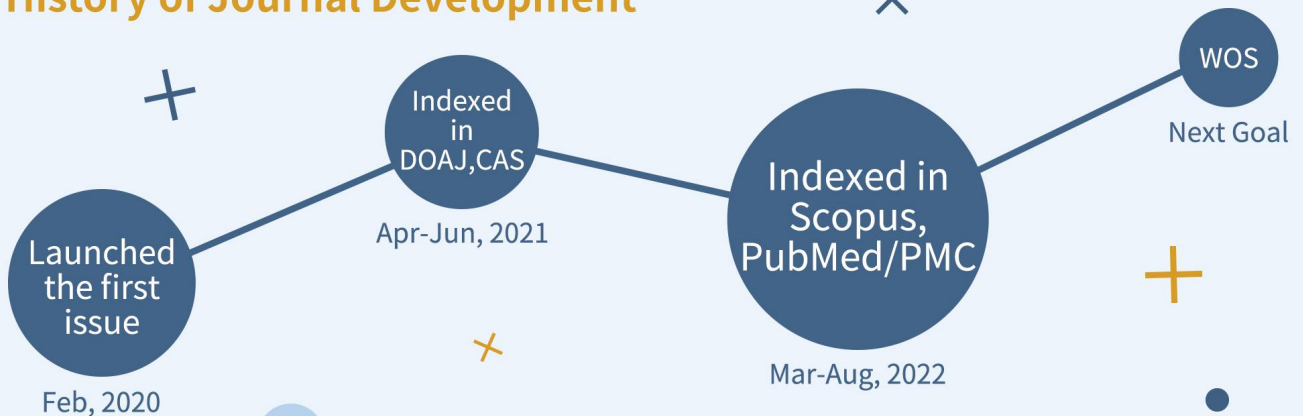

Editorial Board: **61** eminent experts from **16** countries like Italy, China, UK, USA, Spain, etc.; **47** for average H-index.

Part of the board members

History of Journal Development

Within 2 years of its inception, ETAT has featured rapid development with 139 high-quality articles (views_{max}: 17,661; downloads_{max}: 2,462), 30 special issues on hot topics, mean citation of 2.86, and indexing of PubMed/PMC, Scopus (first cite score 1.7), COPE Member, DOAJ, CAS...

Notable Special Issue

Proteolysis Targeting Chimera (PROTAC)

Guest Editor

Dr. Matthias Baud

Lecturer in Medicinal Chemistry and Chemical Biology, University of Southampton, Southampton, UK

- Xie H, Liu J, Alem Glison DM, Fleming JB.
• The clinical advances of proteolysis targeting chimeras in oncology.
Explor Target Antitumor Ther. 2021;2:511-21. <https://doi.org/10.37349/etat.2021.00061>
- Troup RI, Fallan C, Baud MGJ.
• Current strategies for the design of PROTAC linkers: a critical review.
Explor Target Antitumor Ther. 2020;1:273-312. <https://doi.org/10.37349/etat.2020.00018>
- Arthur R, Valle-Argos B, Steele AJ, Packham G.
• Development of PROTACs to address clinical limitations associated with BTK-targeted kinase inhibitors.
Explor Target Antitumor Ther. 2020;1:131-52. <https://doi.org/10.37349/etat.2020.00009>

This special issue has published seven articles and these articles have been cited 150 times so far! Welcome to find more articles via https://www.explorationpub.com/Journals/etat/Special_Issues/27

ETAT Welcome Your Participation

To reach higher aims and disseminate inspiring content without barrier, we will continue to maintain the policy of **Free Publication** and **Highly Cited Paper Award** to encourage high-quality submissions.

We always welcome passionate researchers to:

- **Organize a special issue** based on your expertise (with honorarium and bonus);
- **Submit a quality manuscript** (Original Article, Review, mini-review...) based on your current research or our special issues (no APC and highly cited paper award);
- **Recommend potential authors/Guest Editors;**
- **Make a video for new column "Focus"**
- https://www.explorationpub.com/Journals/em/Focus_Exchange, to share your research and views.

If you are interested in or have any idea, please don't hesitate to contact us at etatjournal@explorationpub.com. We sincerely look forward to your participation!
